

JANUARY 2024 NEWSLETTER

HOLD THE DATE

APRIL 28, 2024

BRUCE'S MILL CONSERVATION PARK

This year, we will be planting at Bruce's Mill Conservation Park located near Warden Ave and Stouffville Road. Two planting events will be held on April 28th - one starting in the morning and the other starting in the afternoon. The site has been plowed and seeded with a cover crop to help prepare the soil for the spring.

Come and celebrate Earth Month with 10,000 Trees. Invite your friends and families to attend! We look forward to seeing you all.

Volunteers required: 1,200 to 1,500

Trees and Shrubs: 5,000

Registration will begin in late February. We will send you an e-mail when registration is open and encourage you to check our website for more details.

PLANTING COACHES

We rely on volunteers like you to serve as Planting Coaches and to lead small groups of planters. Are you interested in learning more about this role? On April 27th, we will be hosting a training session for new Planting Coaches at Bruce's Mill Conservation Park. More details on this role is available on our [website](#).

PHOTOS FROM EVENTS ON FACEBOOK AND INSTAGRAM

Check us out on Facebook and Instagram: www.facebook.com/10000trees and www.instagram.com/10ktrees for photos from each of our events.

OUR PLANS FOR 2024

This fall, we will once again be planting with Parks Canada at Wixon Creek (north Pickering). Throughout the year, we will be hosting smaller planting events as well as stewardship events in the summer to mulch and weed previous sites. Stay tuned for more details!

See you in April!
